of Prosthetic Dentistry

The MARIO MARTIGNONI SCIENTIFIC POSTER COMPETITION & TABLE CLINICS SESSION

28th International Congress

In conjunction with the 28th International Congress, the Italian Academy of Prosthetic Dentistry organizes a Scientific Poster Competition held in memory of Professor Mario Martignoni and a Table Clinics Session.

The **Scientific Poster Competition** is dedicated to clinical and technical research issues in the field of prosthodontics and related disciplines. The material should be novel and should have never been presented in other congresses nor published. The best poster will receive an **award of € 1.500,00**. The official language of the competition is English. The deadline is **July 31st, 2009**. The abstracts of the best three posters will be published in the International Journal of Prosthodontics, all the accepted abstracts will be published in the Italian edition of the International Journal of Prosthodontics.

The **Table Clinics Session**, instead, is an opportunity to present to fellow dentists and dental technicians clinical procedures or techniques in a small group format. The deadline is **September 30th, 2009**.

The participation form for both initiatives has to be filled directly on AIOF's website (www.aiop.com).
